

STRATHMORE GOLF CLUB

”

"The games at coaching were fun, especially the putting games. Having a membership this year will let us play more on the course."

Morven

The club aimed to have an increased female membership and have a more inclusive club as a result.

In order to encourage more girls to come along to golf lessons, they put on girls only sessions. There were 4 in attendance throughout the block

CLUB SUCCESSES

2 of the 4 group members in the girls only group decided to get a full membership of the back of the taster sessions.

The club is now hoping to use these sessions as a springboard to further diversify the rest of their golf groups to grow membership in these areas.
